The TLG site provides access to three sets of data:

1. The TLG Canon of Authors and Works. Bibliographies of all authors included in the TLG can be viewed clicking on
2. The Abridged TLG which includes a representative selection of texts with practically all the features of the TLG search engine. The Abridged TLG is free and open without subscription.
3. The Full TLG Corpus which requires subscription.
Subscription Information about the TLG can be found at:
http://stephanus.tlg.uci.edu/subscriptions.php

Non subscribers have access to the Canon bibliographies and the Abridged TLG.

TLG Subscriptions

The TLG® Digital Library is available to individuals and institutions by subscription (one or five years). At the end of the licensing period, users may elect to cancel their subscription or renew it.

A smaller corpus (Abridged TLG®) is open to the public free of charge. It contains authors that have traditionally been used in college level instruction of Greek as well as editions that have been replaced in the full corpus by newer or different ones.

No subscription is needed but visitors will be asked to create a guest account and login with a user name and password.

Individuals

Individuals may subscribe for one or five years. Access is provided through password protected login.

License Agreements

The following samples are offered for preview purposes.

- Institutional Site License
- Institutional Workstation License
- Individual License
Institutional users and visitors must create an account with a user name and password to access the TLG site.

Register and create an account

Welcome to the TLG®

If you are an institutional user or a visitor, please create an account to use this site.

Individual subscribers with an active account should use their login information.
